

BAND BOOSTER VOLUNTEER OPPORTUNITIES

The Band Boosters organization works to support the band experience for ALL bands and auxiliaries. Our band students work hard to achieve perfection and parent involvement is necessary to the success of the overall band experience at Kilbourne. Families are strongly encouraged to sign up for at least two volunteer opportunities as listed below. Each one of us has a huge contribution to make the band program successful. There are opportunities to work on projects for a certain time period and others that are very short time commitments. Most volunteer opportunities are a team effort. If you haven't already signed up, please check all areas of interest. Several people are on each committee so the work can be distributed among many. Evening and weekend hours available.

Child's Name(s) _____
Mom's Name: _____ Home Phone: _____ Cell Phone: _____
Best time to call: _____
Dad's Name: _____ Home Phone: _____ Cell Phone: _____
Best time to call: _____

Please mark all areas of interest with M (for Mom), and D (for Dad)
