

2008-2009 FRIENDS OF THE BAND

The “Friends of the Band” campaign, begun in 1996, is a means for businesses, extended family and friends to show their support of the Worthington Kilbourne Bands in a special way.

Contributions go to the general Band Booster fund, and are used exclusively to support the four Curricular Bands, Jazz, and Marching Band that comprise the WKHS Band program. Since 1996, contributions have been used to purchase ALL performance uniforms for the Curricular and Marching Band. The funds have also provided additional equipment and enhanced performance opportunities that would not have been possible otherwise.

All donors are listed in our concert programs for the entire year, as well as being posted in the Performing Arts wing of the high school. What a wonderful way to advertise your business and to make a statement of your support of the WKHS Bands!

If you have any questions, please contact Gloria Bock at 430-3387 or call the Band office at 883-2615.

Thanks to your support, we can continue to provide the best instrumental music experience possible to each and every one of our talented students.

Thank you for your generosity!

Don Nathan, Director of Bands

Phil Day, Associate Director of Bands, Marching Band Director

Gloria Bock, Band Booster President
