WKHS Band Program, 2011-12: Parent Volunteer Sign-Up Form

The WKHS Band Boosters organization works to support the band experience for ALL bands and auxiliaries which the WKHS Band Program offers. Our band students work hard to achieve perfection, and as parents, the contributions of our individual talents are huge factors to the success of the Band Program. Families are strongly encouraged to support the Band Program through its fundraising efforts and its volunteer needs through the year. **In the table below, please check those opportunities to which you will volunteer in the 2011-12 school year.** The document "**Parent Volunteer Opportunities for the WKHS Band Program**," posted on the Boosters page of the band website (www.kilbournebands.org), details each volunteer opportunity and the duties and responsibilities of chair positions. Each opportunity below lists the page number in this document where descriptions of the opportunities are provided, including time commitments.

Volunteer Name: _____ Phone Number: _____ E-mail Address: _____
